Great for someone that is looking to build a dream home in a great location. Would be perfect for a 2-level home with a walk-out lower level. The lot is a 2nd-tier lake view of Millionaires Cove, plus you can have a flat driveway to an attached garage with a gentle sloped backyard. Located on a quiet street with other full-time homeowners. This lot is part of the Four Seasons POA and gives the homeowner access to all the exercise facilities, pools, activities, lake access ramps, boat storage, and other amenities.
