

Bluffview DR
Camdenton, MO 65020

Powered by lakefrontexpo.com

MLS# 3543731

\$50,000

745 feet of road frontage! This Wooded land would be perfect for a developer to build a few Spec homes. It sits second tier in the Osage view Subdivision. Seasonal lake view. This property has potential!!! This would be a great spot to open a boat storage. Planning and Zoning would need to be contacted in Camden County in order to determine if this could be zoned commercial.
