Another great building lot in Johnson's Bay subdivision, located at the 3mm of the Gravois Arm-Lot is just a little over 1/2 acre and offers water and sewer hook ups and lake access via Subdivision boat ramp! Perfect lot for a single level home on crawl space. Several lots have sold recently in Johnson's Bay making this a "HOT SPOT" to build! Just a few short minutes away from everything Laurie has to offer and close to movie theater and Golf Course! Great price, Wont last long!
