Come see "The View!" That is the well deserved name of this contemporary luxury home! Come see the stunning views of Bull Shoals Lake from the deck and you will truly understand. You'll find a huge open feel with very high ceilings, which is great for the whole gang, but it also has more intimate areas for personal quiet time. Of course there are modern high end finishes throughout, as well as a game room/bedroom for the kids. There are many possibilities because this home can be used as a nightly rental, comes fully furnished, and is on just under an acre so there is room to add your own amenities. It could be your home, vacation home, or investment property. Located just 10 min to downtown Forsyth, and 20 min to the Branson Landing, it's perfect for those who want a quiet private location but yet still easy access to area attractions. Call now for your private showing, and come see "The View!"
