Discover the perfect canvas for your dream retreat with this 2.2-acre parcel of mostly wooded, undeveloped land. Nestled in a tranquil setting, this property offers a serene escape from the hustle and bustle of everyday life, while still being conveniently accessible. There is ample space for your custom-built home, vacation getaway, or personal sanctuary. Enjoy the natural beauty and privacy provided by mature trees and lush foliage. Take advantage of breathtaking views of Lake of the Ozarks during the fall and winter months, offering a picturesque backdrop for your future home. This lot can be your peaceful retreat with minimal disturbances, perfect for relaxation and recreation, yet close to local shops, dining, and recreational activities, combining convenience with seclusion. Whether you're envisioning a cozy cabin, a modern retreat, or simply a private oasis, this property provides a unique opportunity to create your ideal living space in a picturesque setting. Embrace the natural beauty and seasonal charm of Lake of the Ozarks and make this enchanting woodland yours today!
