Laissez les bons temps rouler! Shrimp Daddy's is renown throughout the lake area as the place to go for great Cajun food and a good time. Current owners have created a thriving restaurant with a loyal and growing clientele. They are ready to retire and will help the next owners by staying on a few months to show them the ropes and even owner financing on very generous terms. The property includes a fully furnished restaurant and approximately 304 acres for potential development. The fire code occupancy is 89 including the bar and dining area. There's lots parking and room to expand This is your Golden opportunity to live your dream at the lake.
