Here is your chance to have a lakeview property on a private spring fed lake. Canoe, fish, quiet enjoyment at its best. Sets on a 15 acre private lake right off blacktop highway. Yet you are still close to access to Lake of the Ozarks. Close to Buffalo Creek Conservation area with walking trails along wooded area and conservation grounds. This would be great for that vacation cabin to get away from it all. Or build that full time home in quiet splendor. Well worth the money and time to take a look.
