Your dream home with breathtaking lake views and luxurious amenities! Stunning Lakefront Views- Wake up every morning to a picturesque sunrise over the serene lake, with no harsh afternoon sun. Enjoy unobstructed views of Top of the Rock and Big Cedar Cove, and take in the incredible fireworks display from Big Cedar. A truly unmatched location! Expansive & Beautiful Home- This meticulously crafted 6,000 sq ft home, built in 2007, sits on an impressive 2.9-acre lot which is two separate lots so lower lot could be built on, offering the perfect balance of luxury and privacy. With 5 spacious bedrooms, 5 bathrooms, a dedicated office, and ample additional space, this home has room for all your needs. High-End Finishes & Upgrades- Designed for both comfort and style, the main floor features 10-foot ceilings with crown molding, and the lower level offers 9-foot ceilings. New flooring on the main level, a gourmet kitchen updated in 2021, and custom cabinetry add elegance throughout. The kitchen boasts top-tier Samsung appliances, including a Bosch induction cooktop. Enjoy seamless comfort with Bosch HVAC units (2021) and a freshly painted interior (2020). Outdoor Bliss & Private Retreat- Relax and entertain on two spacious decks, one of which is attached to the master suite. Both decks feature composite flooring, perfect for long summer
