Table Rock Lake Front

New Construction - Fully Furnished - Beautiful Views - 10.81 Acres

\$989,900

6 Bedrooms | 3 Bathrooms | 2,854 Sqft

The transformation is complete--trees have been cleared to open up beautiful, expanded views of Table Rock Lake, and a brand-new, wide path now leads directly to the Corps of Engineers line, perfect for a side-by-side ride or a quiet walk to the water's edge. This 2024 custom-built lakefront home sits on 10.81 acres in a gated community, offering privacy and plenty of space for future additions like a shop or guest quarters. Fully furnished and move-in ready, it's designed for both comfort and style. Inside, the open-concept living area is filled with natural light from a dramatic wall of windows framing the lake. The living room's stone propane fireplace adds warmth on cooler days, while the chef's kitchen features KitchenAid appliances, quartz countertops, a butcher block island, and a walk-in pantry--ideal for gatherings. The layout is perfect for entertaining, allowing large groups to enjoy time together while still offering separate spaces. With 4 true bedrooms plus 2 non-conforming rooms (a bonus room and a bunk room with 4 built-in beds), there's plenty of room for family, friends, or hobbies. The walkout basement includes large picture windows, a wet bar with butcher block counters, and an oversized storage/utility room. Outside, mornings are best on the covered front porch, afternoons on the expansive back deck overlooking the lake, and evenings in a
