240 Acres of Vacant Land! Beautiful hills and valleys full of wildlife such as deer and turkey and just a short drive to the Lake of the Ozarks! Located in Macks Creek with a driveway directly off a paved road, the property has a natural wet weather creek, a small spring fed pond and has trails/roads throughout. The land has been cleared in some places and includes a hunting blind already in place. This could be a hunter s hideaway or a beautiful place to build a country home. The best of both worlds being in the country and close to the Lake!
