What a great location for your first Lake Condo! Here is your chance to get into Lake investing at a reasonable price. You will love the Osage Beach location, the oversized shaded deck, the beautiful remodeled kitchen and impressive tiled shower. This has been such a successful vacation rental condo that the owner has moved up to a 3 bedroom condo. The extended deck will be your new "happy place" where you enjoy drinks and dinner on the grill. These one bedroom condos make great investments because they cannot be replicated for twice (or three times) the price and will have no new competition from new construction in the future. This is a great place for a seasonal residence or AirBNB rental, or call it your home and live affordably. The options are limitless. Start enjoying the good life today. Call now!
