Escape to your own private sanctuary with this stunning recently built A-frame cabin, nestled on 20 beautiful acres of countryside. Designed for ultimate relaxation and outdoor adventure, this property is the perfect weekend getaway for families and friends looking to unplug and reconnect with nature. Step inside the cabin and enjoy the cozy yet modern feel, with soaring ceilings, large front doors/windows that bring the outdoors in, and thoughtful craftsmanship throughout. Whether you're warming up by the fire or sipping coffee on the deck, the views and vibe are pure peace. Outside, the land offers something for every outdoor enthusiast: a year-round wet creek to explore, a cleared food plot that attracts wildlife, and endless potential for hiking, hunting, or simply enjoying the peace and quiet. Need even more room to roam? An additional 4 acres is available for purchase. Whether you're looking for a peaceful retreat or a place to make memories with loved ones, this property is truly a slice of heaven right here in the Ozarks. Refrigerator
