Just over one acre in a nice country Village/Subdivision in Sunrise Beach. Just 2 minutes from Highway 5 yet a very peaceful setting with limited neighbors. The lot lays nicely with multiple build sites. The lot is 50% cleared and the remaining trees have been thinned. With no known restrictions, this is a blank canvas for your home build with plenty of room for an extra building or two. City water and city sewer at the site, so come take a look as the heavy lifting is already done!
