Looking to build a Tiny home or something larger? This is your lot, Caden County has no minimum sqft requirements for this property. You can't live in a camper trailer unless you have a approved house plan and building permit, if you have those permits you can apply for a 1-year permit to occupy a camper as you build. If The Home is not completed within the permit time frame you must apply for a new camper permit. Electric, phone & cable at the front of property. Easy access to Osage Beach & Camdenton and all the shopping, services and access to all the activities that Life at the Lake offers.
