3 Bedrooms | 2 Bathrooms | 2,160 Sqft

Nestled within 11 acres of serene, undulating terrain, a charming log cabin stands as a peaceful retreat, offering breathtaking panoramic vistas of rolling hills. The rustic cabin is open concept living with two fireplaces, a loft space for an office retreat and lower-level bedrooms with a secondary family room and walk out. The three sprawling porches and large firepit area are perfect for entertaining or complete privacy, whatever suits your fancy. This home is equipped with a whole house generator for those unexpected power outages. The oversized workshop with 3 extra garage spaces and Jubilee tractor for spreading gravel and snow removal is included in sale. If you are looking to enjoy your best life, this is the home for you!
