MLS# 3577252

\$195,000

This versatile property has it all just under 6 acres of gently sloping land, perfect for a family compound, workshops, boat storage, and more. Enjoy lake living without the lakefront price, with quick access to a community boat ramp just minutes away. You're only a short boat ride to The Cave and Larry's on the Lake, and a quick drive to Camdenton. Boat slips are available within @ a mile, check availability. The property includes three separate lots sold together (with the option to split and sell later), plus an existing garage ready for use or renovation ideal for storing RVs, boats, or converting to suit your vision. A rare opportunity with space, flexibility, and prime location!
