**6 Bedrooms | 3 Bathrooms | 3,600 Sqft**

Why move into a home with someone else's nail holes when you can start fresh? This brand-new 3,600 sqft home offers 6 bedrooms, 3 full bathrooms, and a fully finished basement with room for movie nights, guests, or a quiet escape. The main level features 9-foot ceilings and a wide-open layout. The large kitchen has plenty of workspace, a generous pantry, and enough room to cook without crowding unless you like an audience. Upstairs and down, every inch feels thoughtfully designed. Enjoy your morning coffee or evening wind-down on the 12x20 deck overlooking the subdivision's stocked pond. It's the kind of view that makes doing nothing feel productive. With clean lines, fresh finishes, and not a single mystery stain in sight, this home is your chance to start with a clean slate without lifting a paintbrush.
