Great Building Lot on 2.4 Acres. The lot is just a 1/2 mile from Jolly Rogers Grub & Grog where there's always something going on...live music, delicious food, amazing brunch on the weekends, and charter excursions. There are a couple of cell phone towers nearby, which depending on the provider, offer incredible cell phone coverage. It's the best of both worlds to escape the hustle and bustle, but still be connected. Mostly Wooded and level.
