Arrange a showing to see this exquisite 6 bed 4 (full) bath luxury waterfront home as soon as you can. Located on 122 ft of quiet lakefront in a protected cove, a stone's throw from the main channel at the 2mm. The luxury appointments and finishes in this home are too numerous to cover in this description. So here are just a few, 10' and 12' ceilings. Huge windows with ornate interior moldings and 8' interior doors on BOTH levels. There is a wheelchair accessible bedroom and bath on the main floor. A chef's dream kitchen with beautifully classic cabinetry showcasing some wonderful storage accessories and very tasteful tile backsplash. You will love the Viking 6 burner cooktop, an enormous island and stunning granite countertops. There is a large screened patio adjacent to the kitchen/dining area that creates a lavish and inspiring "al-fresco" dining experience with the adjoining grill patio. All the decks on all levels are concrete surfaces with epoxy finishes and powder coated handrails. There is a laundry room on both levels, an oversize 3 car garage and so much more. This listing is same as MLS#3577882 without the adjacent 100' lakefront lot.
