This is just what you are waiting for! This ranch style home has both peace and privacy of country living with this spacious 4-bedroom, 3-bath home set on 10.5 scenic acres. This beautiful home offers a warm & inviting interior featuring a cozy wood burning fireplace, perfect for relaxing evenings. The primary bedroom also has access to the back deck & has a full bathroom with a HUGE walk-in closet. The back deck overlooks the property which makes it great for your morning coffee. The open concept from the kitchen to the living area make it perfect for family gatherings with a nice size laundry room right off the kitchen. The beautiful country kitchen has a large island that also allows for more storage space. Love that! While the upstairs has 2 bedrooms & 2 full bathrooms you will find 2 additional bedrooms also with walk-in closets & a full bathroom downstairs in the walk out basement. Outside, enjoy plenty of room for hobbies and storage with both a garage and a shop with a large yard. The shop also has a full bathroom which is definitely an added bonus. This property is ready for you!
