4 Bedrooms | 4 Bathrooms | 5,112 Sqft

Welcome to your ultimate lakeside retreat overlooking the pristine waters of Bull Shoals Lake in Mountain Home, Arkansas. This expansive 4-bedroom, 3.5-bathroom home offers an incredible layout with room to grow--featuring an additional bonus room upstairs that could easily serve as a 5th bedroom. Designed for comfort and functionality, this property boasts two full kitchens and two spacious living areas--one on each level--making it ideal for multi-generational living or hosting guests. Soak in panoramic lake views from nearly every window and step onto your freshly repainted deck (2024) to experience the serenity of nature right in your backyard. A cut trail leads through your backyard woods directly to the lake, providing rare and easy access. Outdoor living is just as impressive with a newly added pergola and firepit (2024), a charming outdoor storage building, and security cameras covering the perimeter for peace of mind. Inside, enjoy countless updates including a new roof (June 2023), updated lighting, new ceiling fans in the main living areas and three bedrooms, and fresh paint throughout the upper level. The downstairs kitchen features a new oven and flooring, while the utility room has new stainless sink basins and an extra freezer for convenience. Stay connected with fiber optic internet, and rest easy with upgraded septic cleanouts and a
