MLS# 3578563

\$145,000

2 Bedrooms | 1 Bathroom | 899 Sqft

This charmer is perfect for a first time home - buyer or if you just want to downsize. This property has many updates that include a remodeled front room and bathroom, countertops, gas lines, plumbing, paint, newer windows and much more. The spacious, insulated attic provides opportunity for additional storage, office space or a 3rd bedroom. The home sits on a nice size lot with large back yard ideal for gardening, play or family gatherings. The entire property is completely fenced in with a gate at the driveway and a small gate at entrance of home. This home is a must see to appreciate.
