Tremendous Opportunity on Table Rock Lake. An established Vacation Rental that has generated a good income over the past 2 years and one of the best locations being waterfront on this beautiful Corps of Engineers maintained shoreline. Currently being managed by Beth's Breakaways and all 5-star reviews. Honestly, what's not to like here: located a few minutes from Silver Dollar City, waterfront with a slip for your boat or minutes from a marina where you can rent one; resort amenities; stand-alone property that has options for management; over-sized garage for your personal items; 2 covered decks; personal hot tub; game room; boat slip leased that can be reassigned to new owner and just an overall magnificent home for either vacation or full time living. This is one of my personal favorites because it exudes warmth and cozy but has so much space. Great place to be anytime of the year! Don't miss out on this one! Dishwasher, Free Standing Stove: Electric, Dryer, Washer, Microwave, Refrigerator, Disposal
