LAKE PROPERTY! This unique 8-acre parcel on Bennett Lake in Oregon County, Missouri offers the perfect blend of peace, privacy, and opportunity. With a private well, septic system, and electricity already on-site, it's ready for your vision--whether that's building your dream home, setting up a mobile home or camper, or developing tiny cabins for rental income. The property features a nice mix of trees and open ground, with several ideal home sites and plenty of space to spread out. Enjoy fishing, kayaking, or simply relaxing by the water--and with lake frontage, you have the option to build your own private dock. Located just 3.5 miles from the charming town of Alton and less than 30 miles to West Plains, the property also offers easy access via a county road. If you're looking to embrace a laid-back Ozarks lifestyle with room to grow, this is the place for you.
