A rare find, this triple wide manufactured home on almost a full acre offers four bedrooms, 2 baths, tall ceilings, huge closets, a private well and septic and it's mostly furnished with a Peek A Boo Winter Lake View! All appliances are included. There is a nice shed with power on one corner of the property and the other corner of the property touches US Army Corps Of Engineer land, giving you lake front access to Table Rock Lake. Great spot on the lake that is away from it all. Just 6.7 Miles to the Cape Fair Marina and 6.2 Miles to the Flat Creek Grill. Some elbow grease and TLC needed to make it pretty, but it will all be worth it! Check it out at 1688 Wooley Creek Rd in Cape Fair. Dishwasher, Free Standing Stove: Electric, Dryer, Washer, Refrigerator, Electric Water Heater, Disposal
