Great vacation spot at an affordable price. Quaint cabin in the middle of it all, but in a quiet neighborhood no one knew existed right off the 2nd of the Big Niangua arm and the 4 Corners! Lakeview, but no one can build in front, so might as well be lakefront without lakefront cost! Built entirely of concrete block, this home has stood the test of time, and is virtually maintenance free! This 1 bedroom bungalow offers plenty of room for entertaining inside and out with a large yard shaded by mature trees, and a nice carport to park your car or your boat with a constant, unobstructed view of the lake! Take your tour today, and see just how perfect this place is for you!
