5 Bedrooms | 3 Bathrooms | 4,182 Sqft

Stunning 5-bedroom lakefront home with spectacular lake views! Welcome to your dream retreat nestled on the serene shores of Table Rock Lake. This exquisite 5-bedroom, 3-bathroom log home combines rustic charm with modern comforts, offering a perfect sanctuary for family living or entertaining guests. Step into the inviting main living area, where vaulted, beamed wood ceilings create a warm and airy atmosphere. Cozy up next to the beautiful wood-burning rock fireplace, framed by elegant glass doors, making it the ideal spot to unwind after a long day. The expansive deck, overlooking the sparkling lake, is perfect for enjoying your morning coffee, hosting summer barbecues, or simply soaking in the breathtaking views. The lower level of this home is designed for versatile living. A spacious family room with a convenient kitchenette offers a perfect space for entertaining, while additional bedrooms accommodate family and friends comfortably. A dedicated home office provides a quiet workspace, and the additional bathroom ensures convenience for everyone. Step outside to the covered patio, where you can enjoy the outdoors in privacy. For those who love water activities, a 10' x 20' boat slip in a private enclosed boat dock, just below the home is available for additional \$\$--perfect for boating enthusiasts.
