LARGE two bedroom condo that easily sleeps a big family. BIG and open spaces with a full size kitchen, HUGE covered porch that has an entry from Living Room and Primary Suite. The covered deck is such a perfect extension to the condo's living space. It is the place you will want to be to enjoy this perch above the lake in the tree tops. The view is showcased differently with this condo due to the windows on the side that bring in all the natural light and frame a long view of the lake. The condo comes with a 24X10 Slip with a 4500 lb boat lift and storage closet on dock. From the minute you walk in the door this does not feel like your ordinary condo. It is open and spacious with such beautiful natural light. HVAC Replaced in 2023 and Hot Water Heater and softner in 2022. New carpet and bathroom Flooring. New Light Fixtures. Freshly Painted Throughout. Granite Countertops. Only 2 minutes from Lake Valley Golf Course; 5 minutes from Kinderhook; minutes from the stop light in Camdenton; and a few miles from HaHa Tonka State Park.
