Lifestyle living at the Lake! This beautifully maintained home in Camelot Estates offers the perfect balance of almost lakefront living without the premium price tag. Imagine waking up to lake views and enjoying the perks of a 12x28 boat slip (Dock 3, last slip on the right), just a short walk from your door. Inside, you'll find two main-level master suites, an open-concept design perfect for entertaining, and an oversized 2-car garage. The covered front porch sets the stage for summer nights with friends and family. Are you willing to trade a backyard for a lake view and over an acre of land? This property gives you both space to build out, add another garage, or create your dream outdoor living area. Set on paved roads for year-round convenience, this home also comes with resort-style amenities: 3 pools, 2 clubhouses, stables, tennis courts, a boat ramp, and more. And here's the bonus investors, this home can be used as a rental, making it not just a lifestyle move but a smart opportunity. This is more than a home, it's a Lake of the Ozarks lifestyle ready for you.
