Highly motivated seller!! Two words to describe this home would be absolutely stunning! This 3 bed / 2 full bath ranch style home sits inside the very desirable Autumn Estates and sits on almost 1.5 acres. You will fall in love with the beauty of this less than 3-year-old home and all of the higher quality finishes it has to offer. At first look you will admire all the gorgeous landscaping of flowers and shrubs that surround the home, along with the covered front porch! When walking in you are greeted by the large living room and the luxury vinyl plank flooring that stretches throughout the whole home. In the kitchen you will see custom built hickory cabinetry, granite countertops and stainless-steel appliances. Very large primary bedroom with en-suite bathroom. This home is definitely worth looking at!
