What a wonderful home in Ozark Meadows. Close to shopping and I mean close. This well maintained home is just perfect for the 55 and older crowd. The home sets on a Missouri Flat lot so has a nice driveway leading to the two car garage. Located on a cul-de-sac so no thru traffic to worry about. The owner has taken very good care of the home replacing items when needed. Enjoy the covered patio in the morning and throughout the day and evening. A large back yard that has flower beds with plenty of room for more if desired. Come see this great home. You might be surprised about how many of your friends already live in Ozark Meadows.
