\$89,900

Escape to the natural beauty of Bull Shoals Lake with this rare 1/2-acre lakefront lot--a perfect blend of privacy, lake access, and potential. Located in the heart of the Ozark Mountains, this property offers direct frontage on Bull Shoals Lake, ideal for boating, fishing, kayaking, and relaxing by the water. The property includes a rustic, unfinished cabin, giving you the opportunity to finish it to your taste--whether you're planning a cozy weekend getaway, a fishing camp, or a future homestead. Property Features: 1/2 acre with lake frontage Unfinished cabin with solid structure Rural water connected Septic system already in place No electric on property, but electric is nearby for easy hookup Shipping container included for storage or creative use This is a great opportunity for someone looking to build their dream lake retreat, explore off-grid living, or invest in a piece of lakefront land with real potential.
