6 Bedrooms | 5 Bathrooms | 5,929 Sqft

Discover refined living in this beautifully designed 6-bedroom, 4-bath home on a premier cul-de-sac lot in the gated Timberbrook community. Enjoy peaceful views of manicured greenspace, ponds, walking trails, and a fountain--all from your private backyard with an automatic awning-covered deck. Built by AG Paul, this spacious home blends elegance and comfort with rich alder cabinets, stone countertops, two kitchen islands, and an open floor plan ideal for entertaining. The vaulted living room and large windows bring in natural light and showcase serene outdoor views. Nest thermostats and three HVAC zones--including a private zone for the master suite--offer custom climate control. The upper level features a spacious master suite with a luxurious bath, a guest room with en-suite, and two versatile offices--one with exterior access. A large utility room includes a dumbwaiter for easy transport of laundry and entertaining essentials. Downstairs is built for fun and functionality with a large family room, game area, and media room with projector, all connected by a see-through fireplace. The dumbwaiter also services this level for added convenience. Three additional bedrooms and two baths ensure space for everyone. A large storage area, John Deere room, central vacuum system, and generator wiring round out this home's exceptional features. All this
