A creek runs through it! This has been the family hunting and recreation spot for years. Big Bucks and Wild Turkey run here! Food plots had been established. Big timber and nice clearings spread throughout the property. A couple of ponds make this the ideal hangout for game. This would make a beautiful area to camp. Hunt it yourself or lease it out. Either way you won't be disappointed. Some deer blinds will remain. Trail cams do not stay. Property is in 5 different parcels and would make an excellent development project!
