Welcome to a peaceful second-tier lot with a west-facing view of Table Rock Lake. Set in a quiet, established area of well-kept lake homes. This spot offers the best of both worlds: close to the water without the lakefront price. Build your getaway or full-time home and soak in those unbeatable sunsets. You're just a short boat ride from marinas and waterfront restaurants, yet far enough out to enjoy the calm side of the lake. Anglers take note, the fishing here is outstanding, with bass, crappie, and catfish commonly found and you're only a short drive to a boat ramp. If you've been looking for a scenic, laid-back setting with lake views, good neighbors, and solid potential, this lot delivers.
