4 Bedrooms | 3 Bathrooms | 2,931 Sqft

This stunning home offers an impressive blend of modern design and rustic charm, featuring soaring ceilings with exposed beams and an abundance of natural light streaming through expansive windows. The open floor plan is perfect for entertaining, centered around a brand-new designer kitchen with quartz countertops, a spacious island, and high-end finishes. The split bedroom layout ensures privacy, with a luxurious primary suite boasting a walk-in closet, a private balcony, and a spa-like bath complete with subway tile and a walk-in shower. Three additional bedrooms are conveniently located on the main level, along with a well-appointed laundry room. The finished basement provides an oversized family room with a cozy fireplace and an additional bath, offering the perfect retreat. Step outside onto the huge deck overlooking the private backyard, nestled on a large double lot. A two-car garage completes this exceptional home, where every designer detail has been carefully curated for modern living. Seller is offering a \$3000 allowance for appliances.
