5 Bedrooms | 3 Bathrooms | 3,200 Sqft

This home is designed with modern living and entertainment in mind, featuring a smart home system that seamlessly integrates lighting, sound, security, and temperature control, by voice command. Location matters-and this home is ideally situated at the 17-mile marker! This beautifully furnished 5-bedroom, 3-bathroom lakefront home is where timeless comfort meets lakeside elegance. Spanning an impressive 3,200 square feet, every detail of this home is designed to maximize your enjoyment of lake living. From the moment you arrive, the property sets the tone with its wide-open views, flat driveway, and detached garage, giving you plenty of space for parking vehicles, lake toys, or a workshop. Once you step inside the magic of this home truly unfolds. The home's open floor plan with soaring 12-foot ceilings create a sense of airiness and space you'll feel right away. Large windows frame unobstructed views of the water, bringing the lake indoors and filling every room with natural light. Included is a 4-passenger 4x4 golf cart making the dock easily accessible from the path.
