Beautiful well cared for, stick built lake home. With a new coat of paint, new carpet, and newly encapsulated crawl space. As you enter the home you will love the vaulted ceilings and solid hardwood floors. There's an airiness to the home as you can walk in and see the lake from the front door. The kitchen has newer updated kitchen cabinets as well as newer stainless kitchen appliances that will stay with the home. The three bedrooms are of good size with a guest bathroom in the hall. The large master has his and her closets and a nice ensuite. You can sit out on the back deck and enjoy the lake life while the kids or dogs can run and play in the fenced in back yard. Plenty of room for toys as it has an attached 2 car garage as well as a storage shed and a carport. Dishwasher, Free Standing Stove: Electric, Microwave, Refrigerator, Electric Water Heater
