Location, finishes, boat slip, furniture, and even great rental history. Unit is only one flight up from parking or take the nearby elevator. Updated and nice features such as dark kitchen cabinets with granite counters, quality flooring, newer water heater, walk in shower in the master bedroom and tasteful decor. Lands End is a quality complex with an unbeatable location by land and water. Conveniently located at the 19 mile marker by water and just off of Osage Beach Parkway in the heart of Osage Beach. The complex sets itself apart with its quality amenities. Clubhouse with fitness center, lake side pool, entertainment area in the center of the complex with lazy river, splash pool, playground and basketball hoop. One of the best features is this unit comes with a 16X48 boat slip the marina that offers wave breaks.
