This cozy lakefront home checks all the boxes whether you are looking for a family home or an investment rental property. With 3 Bedrooms and 2 Bathrooms along with a large bunk room area off the family room downstairs you have living space on both levels. The views are fantastic and the sunrises are even better! Plenty of level parking with space to add more living area, a garage or a workshop. The steps on the lakeside will lead you to a concrete dock, a boat house for additional storage or a really fun tiki bar where you will spend all of your time when not in the water. Location is key being minutes away from conveniences by land and by water being near Frankie and Louies, (but far enough away to enjoy when you want). The home comes furnished. Black top to the door. Brand new septic in 2025. The property has VRBO history, managed by Sun West Properties and the new owner may continue that tradition or choose to enjoy personally.
