MLS# 3580420

\$100,000

Gentle lot ready for development and construction with a spectacular Lake Ozark Location. Road frontage with easy access from the city maintained Fish Haven Rd. This is two lots that would make a great homesite or there is the possibility of a multifamily situation. Of course everything would have to be city approved but the adjacent lot which is also listed was zoned high density residential and this is in a future development area of Lake Ozark. City and city sewer as well as electricity are available. Looking for more land, be sure to ask your agent, the seller has several parcels in this area!
