3 Bedrooms | 3 Bathrooms | 2,953 Sqft

This lake home offers the perfect blend of comfort, versatility, and endless entertainment options. With 3 bedrooms - one located on each level, including the basement - and an additional non-conforming bedroom on the main level, there's plenty of space for family and guests. Experience relaxation in the inviting living room, featuring a floor-to-ceiling stone fireplace, or gather around the cozy wood stove downstairs for those chilly evenings. The home's design is ideal for both entertaining and unwinding. Step outside to discover the abundance of outdoor living spaces that are perfect for hosting gatherings or simply enjoying the breathtaking views. Choose from the huge upper-level deck, the spacious partially covered deck on the main level, or the fully covered patio below--all overlooking the serene waters of Table Rock Lake. With panoramic lake views as your backdrop, you'll feel like you're on vacation every day. As a resident of this well-maintained condominium community, you'll enjoy fantastic amenities, including the outdoor pool. While being conveniently located just a stone's throw away from the charming community pavilion, which features an outdoor kitchen and a nearby cozy firepit--perfect for creating lasting memories with friends and family. With the bonus of the condo association taking care of common grounds
