MLS# 60306830

\$48,000

This 6.13 +/- acre tract sits towards the end of Whispering Meadows Lane on Cantrell Creek. This welcoming property is perfectly balanced with approx 2 acres of timber and 4 acres of pasture. There is power under 12 yds away to the property at the NW corner. Just 14 miles outside of Marshfield and 30 to Springfield, you have quick access to all the necessities, but are still tucked away. Whispering Meadows Lane was just improved with new culverts and gravel! Some of the gravel has not yet settled, so 4x4 may be nice.
