Check out this amazing lake front property! This lot offers a simple and flat walk out to the lake and sits right around the corner from the boat launch. It comes equipped with its own septic system, propane tank, water and electric. Little to no value is being given to the trailer but the bones seem good. Seller will make no repairs. Whether you're looking for a place to build, replace the mobile home, or remodel the mobile home that's in place, this is a great opportunity! Electric Water Heater, Free Standing Stove: Gas, Dryer, Washer, Refrigerator
