4 Bedrooms | 4 Bathrooms | 4,236 Sqft

Put this on your "Most Wanted" List! Incredible lake front - lake view home in a very desirable community that will satisfy all your wants and needs. The cul de sac location is just another bonus. From the captivating wall of windows with a stunning view of the crystal clear waters of Table Rock Lake to the more than generously sized rooms, this home has it all. The open floor plan allows for engagement of entertaining large families and friends if that's your desire. You'll not be disappointed with the four bedrooms (3 are en suite) all of which afford over sized closets. The kitchen allows ease of meal prep with the copious amounts of cabinetry and counter space. The size will also accommodate an eat-in area along with the desk nook and wet bar in the peninsula. The dining room is conveniently located right off the kitchen. The lower level provides additional family room with kitchen for more good times. All appliances are included as well as washer and dryer. The John Deere room could serve as a work shop as well. Over 1, 000 feet of covered and uncovered deck area to enjoy all the beauty this area has to offer. There is a small community park where the kiddos can play, host a gathering under the pavilion or friendly game of pickleball. Additional amenities include water, sewer, and paved roads Want more? Yes, there are two boat slips available
