Walk-to-the-Water Lakefront Cabin Retreat w/ Private DockEscape to your very own iconic cabin in the woods--a peaceful lakefront sanctuary where nature, privacy, and crystal-clear Table Rock Lake meet. Nestled among mature hardwoods and tucked within a tranquil lakeside setting, this rare walk-to-the-water property includes your very own private two-stall dock, just steps away, for effortless lake access and endless adventure. Lovingly maintained and ready for new ownership, this 2-bed, 1-bath cabin has been the backdrop for countless cherished memories. Inside, discover a bright, airy foyer leading to two cozy bedrooms and a full bath all on one level. A few steps down, the main living space opens beneath sky-high vaulted ceilings w/ abundant natural light streaming through the patio slider to your peaceful back deck--perfect for catching cool lake breezes, stargazing, and listening to gentle waves roll along the shoreline. The kitchen offers a spacious, functional layout w/ pantry and generous prep & dining space, while the sunroom--a favorite of the sellers--provides the perfect year-round retreat or additional bunk space for the kiddos (or kiddos-at-heart). Additional features include laundry in sunroom, storage shed, and convenient parking just above the home. And the location couldn't be better: by water, you're just minutes to hot fishing holes,

Ann Ferguson
