Adorable and affordable, this special four bedroom Four Seasons home is the perfect home to get your feet wet enjoying the best of Lake of the Ozarks. Four Seasons development is the best, and anything off Kay's Point is the Best of the Best. Located in 5 mile cove with an outstanding wide, long view, this is one of those properties that will become your family legacy home to be enjoyed for future generations. Vaulted ceilings and a wide open reverse floorplan give a feeling of space and light. Updated kitchen with granite counters and stainless appliances plus larger format tile floors along with the primary bath remodeled with custom tiled walk in shower and private wet area - just a few of the more recent updates in this well maintained home. Roof and hvac system are also newer. Move in ready interior has been well maintained but where this property really shines is the fantastic cove location. A wide driveway gives you plenty of parking and turnaround area, and the walk out to the lakefront is super gentle with a beautiful stopping off spot at the cozy firepit along the way. RipRap protects the seawall and settles any waves coming in the wide cove. Going, going, gone!
