\$299,900

6 Bedrooms | 4 Bathrooms | 3,618 Sqft

Aggressively priced to sell and ready for it's new owners! Welcome to this impressive main-level living rancher, perfectly situated on 4.02 peaceful acres. With over 3,600 sq. ft. of living space, this home offers the ideal blend of comfort, functionality, and versatility. It is perfect for multi-generational living or anyone seeking space to spread out. Inside, you'll find six spacious bedrooms and four full bathrooms, including two primary suites on the main level, each with its own private bath and large walk-in closet. The open layout creates effortless flow between the living, dining, and kitchen areas, making this home ideal for entertaining or everyday living. The property also includes a large insulated shop with concrete floors, a woodstove, and lofted storage space perfect for hobbies, projects, or extra storage. There's plenty of room for RV parking, outdoor activities, and enjoying the wide-open setting that surrounds this home. Whether you're looking for a multi-suite setup, space for guests, or room for your toys and tools, this property has it all and all on one convenient level.
