You read that right a lake home on Horseshoe Bend with a garage, workshop, and a beautiful private setting, all at a price that's hard to find in today's market. Inside, the cozy fireplace, formal dining room, and casual eat-in kitchen make it easy to settle in, whether you're hosting dinner or grabbing a bite before heading out on the water. The two-level layout offers great separation and flexibility for guests, family, or quiet weekends. Step outside and enjoy the expansive deck perfect for grilling, gathering, and taking in the peaceful surroundings. The seller previously had a dock in place, so adding one again is an option for the next owner. A fantastic opportunity to enjoy lake living with space, comfort, and character.
