Lakefront living on Lake Taneycomo with expansive water views throughout. This all-brick 3 bedroom, 2 bath home features a 2-car garage, high ceilings, and a striking floor-to-ceiling fireplace that anchors the main living area with warmth and character. Enjoy the scenery year-round from the glass-enclosed sunroom, or step out to two separate balconies, including one directly off the primary bedroom--perfect for morning coffee, quiet evenings, or simply taking in the calming movement of the water. The interior blends comfort with unique craftsmanship, highlighted by custom artisan tile work throughout. Whether you're gathering in the living room around the fireplace or unwinding in the sunroom, the views become part of everyday living.
